Rationale	Action	Funding towards meeting the cost of action points	Impact & Evaluation
There is high mobility across the school due to military postings the school needs to maintain a stable staffing structure across the academic year. In order to avoid class re organisations and reduction in staffing the school operates:	1 additional class teacher employed to ensure class stability across the year	£10,000	Class and staff stability has been maintained. Children were taught in smaller classes. We were able to accommodate all

<p>1 x 15 hour am Nursery Provision 2 Reception classes 2 Key Stage 1 Classes 4 Key Stage 2 Classes</p> <p>These usually operate at operate at less than 30 and ensure children as they arrive can be accommodated in the correct age class. This maintains a higher pupil staff ratio and children and ensures baseline assessments can take place swiftly to assess the needs of all pupils, work is matched to their ability</p>			<p>children requesting a place on arrival in the area. All children arriving at Carnagill mid-year were placed in the appropriate class</p>
<p>Higher than national mobility can, for some children, lead to greater support to meet their emotional needs.</p>	<p>The school continues to employ a home school support adviser to work 1-1 with children as they need it and offer advice and support to families which may include coordinating meeting with other professionals and arranging and supporting course (Please see website for further details of this role) An important aspect of this role is to train and oversee the role of the CHIPs, Children Helping in Partnership</p>	<p>£10,000</p>	<p>The home school support adviser has been able to work with children who present with emotional needs, sometimes challenging. The school has a very low exclusion rate and has not excluded any pupil this academic year 2016-17. The home school adviser meets parents on a regular basis and supports them with on range of matters.</p> <p>Courses and support sessions have also been arranged.</p> <p>CHIPs have been successfully trained and their work at lunchtime overseen continuing to support positive attitudes towards behaviour.</p>

			<p>Attendance is just below national. 95.4% In most year groups PP children attendance was higher than those not PP disadvantage</p> <p>Across school in most years those identified as disadvantaged will make at least expected progress and in some cases good progress. In most year groups, disadvantaged pupils will make similar if not greater progress than those classed as not disadvantaged</p>
<p>To ensure all children can attend after school events and be taken home the school leases a mini bus.</p>	<p>Lease of a mini bus Attendance at a range of sporting events: orienteering, Y5/6 girl's football, y6 play rangers, bikeability, kwik sticks, hockey, swimming gala, high 5s, tag rugby, kwik cricket as organised</p>	£1,000	<p>The school took part in most Garrison Cluster Sporting events. Children were brought back to school if parents are unable to collect. Events attended Kwik Sticks Tennis Cross Country Football Hi 5</p>
<p>To support the emotional needs of children within the class, encouraging pupils to keep on task and to be an additional supportive adult who is able to listen to concerns as they arrive throughout the day.</p> <p>To support the delivery of intervention groups to diminish the difference.</p>	<p>The school maintains a teaching assistant per class.</p>	£27,380	<p>The supportive work of the Home School Adviser is complemented in class. Children are well settled in class and able to learn. Issues are dealt with in a timely manner and children supported to work through concerns. Attendance is just below national despite leave of absence in term time being granted to support military families.</p>

		<p>4 classed as PP disadvantaged out of 23 children in total had attendance below 90%.</p> <p>2016-17 GLD was above national at 73% Ensuring the children had a good start to their education 100% of Y1 pupil classed as disadvantaged achieved the phonics check. 100% of Y2 pupil classed as disadvantaged achieved the phonics check.</p> <p>R&M combined improved from the 2016 data. In 2017 R7M combined was closer to national and the rate of progress also increased in 2017 and again closing the gap to national. Disadvantaged pupils achieved 102.8 scaled score, not disadvantaged scored 99.8. Disadvantaged pupils made more progress than those not disadvantaged in 2017</p>
