

FS2 - Suggested snowy day activities.

Please continue with your letter formation and initial sound booklets.

We are learning the letters h, b, f and l this week.
Can you find any thing in your house or garden that begins with these letters?

We are starting to look at daily routines in Maths. We are looking at sequencing our day. See if your child can remember and order, what happened during the day today. E.g. This morning I went to.... At lunch time I ... At bed time...

We use busy things in school please follow the link if you wish to sign up for a free trial at home.

We are exploring using our senses this half term in FS2. Please enjoy building a snowman or going for a walk in the crunchy snow.

What can you see? What does the snow feel like? What different sounds can you hear? Hold out your hand, what happens to the snow once it touches your warm hand?

Keep warm and stay safe! 😊
