

We never judge a book by its cover

Friday 8th June 2018

Dear Parents

I hope you all had a lovely half term break. At school we are looking forward to an exciting lead up to the end of the summer term. We look forward to sports day, transition sessions, lots of outdoor learning and sending our Year 6s off to their secondary school with many happy memories of their time at Carnagill. Over the next half term, as a school we continue to focus on school development linked to teaching and learning and ensuring that all children make as much progress as possible. This half term also provides our staff with the opportunity to develop their understanding further of children's mental health and well-being through whole school training with Compass Buzz (a North Yorkshire project on mental health and well-being).
