

We never judge a book by its cover

House System

This week we have launched our new house system to the children. All of the children have been placed in a house (Richmond, Middleham, Barnard and Bolton). Together they will earn house points for good learning behaviours, good attitudes and good social skills. Each week, the house points will be counted by our house captains and the winner will be announced during celebration assembly. The winning house will also be announced on our Twitter feed. At the end of the half term, the winning house will earn a treat! It is hoped that this new reward system will develop good team work skills and strengthen behaviour in school.

Winning house this week is Richmond! Well done everyone!

Sporting Events

Our children have attended a few sporting events over the last few weeks. Year 3/4 attended a Kwik Cricket tournament on Tuesday and showed great sporting skills and team work.

On Wednesday it was fabulous to see children from year 3 and 4 represent our school at the cluster tennis tournament. Well done to Myah, Olivia, Jay N and Corey for working so hard and winning the tournament! We now look forward to going into the next level of championship tournament.

Well done to our Year 5 and 6 team of Katie B, Leyla, Heike and Alfie for putting in such a strong effort and being true sportspeople. All of the children played very well and worked hard as a great team.

Tour de Yorkshire

The children have really enjoyed bringing their bikes and scooters into school today for Tour de Carnagill obstacle challenge. Well done to everyone who took part. We hope that you enjoying watching the Tour de Yorkshire this weekend!

Yorkshire

Fortnight

A lot of the children are playing the popular game of 'Fortnight'. The NSPCC has recently reported concerns about this game due to the open settings which may allow strangers to contact your child throughout the game. Please remind your children of online safety and to report it to you if there is any suspicious behaviour.
